Continental Portugal is situated at the far Southeast end of the Iberian Peninsula. The Northern and Eastern boundaries are with Spain. The Atlantic Ocean is on its West and South.

The Madeira and Azores archipelagos both situated in the Atlantic Ocean are also part of Portuguese territory.

Portugal has about 10,555,853 inhabitants. (2011 Census)

Portalegre, in the Alto Alentejo district, is situated at the southern slope of São Mamede mountain and has a total area of 446,24 Km² and about 24,930 inhabitants. (2011 Census)

The city of Elvas belongs to the District of Portalegre. It is situated 10 Km far from Badajoz, a Spanish city of Extremadura, and has 23,078 inhabitants. (2011 Census)

The Northern Alentejo is known for its natural and landscape diversity, with well marked plains and relief.

POLYTECHNIC INSTITUTE OF PORTALEGRE
A Quality Bet in Regional Development

The Polytechnic Institute of Portalegre (IPP) is a public higher education institution that includes four schools:

- . School of Education and Social Sciences (ESECS);
- . School of Technology and Business (ESTG);
